Reporting & Program Review Requirements

Certified pre-apprenticeships must regularly collect and provide participant data to the Bureau of Apprenticeship. The data may be provided on the official form or an Excel spreadsheet.

The program must collect the following data from participants:

- Name
- Address
- Social Security Number
- Gender
- Race/Ethnicity
- Birthdate
- Disability Status
- Veteran Status
- Program Completed
- Transition to Registered Apprenticeship

The program must collect the following statistics on participants:

- Number of participants who enter the program
- Number of participants who graduate the program
- Number of graduates who subsequently enter a registered apprenticeship
- Number of graduates who subsequently enter non-apprenticeship related employment

The program must provide the following to the Bureau:

- Within two weeks after a cohort begins, provide all participant data
- Within two weeks before a cohort completes, provide all graduates' names for certificates
- During the on-site program review, provide participant statistics for the prior 12 months

Program Review

On-Site Visit

The first on-site review will occur within one year after the first cohort completes. One month prior to the review, the Bureau Director will officially notify the program of the information to be reviewed and the timeline. Subsequent reviews will occur biennially. The Bureau will offer technical assistance throughout.

Post-Visit

The program review team will provide a written report within 45 business days. The report will explain the items reviewed, their condition as indicated by documents and interviews, positive practices, areas of concern, and recommendations for improvement.

If areas of concern are noted, the certified pre-apprenticeship must take corrective action and respond to the Bureau Director within 45 business days of the report being issued. If the program satisfies all requirements, it will receive an email and official letter that it has been returned to good standing by the Bureau and Council.
