Re: Unified Solutions, Inc., Asset Sale – WARN Notice

Dear Sir or Madam:

Unified Solutions, Inc., (USI) submits this letter to satisfy any requirements or obligations imposed on it by the Worker Adjustment and Retraining Notification Act, 29 U.S.C. §2101 *et seq.* and the Wisconsin Business and Mass Layoff (WBCML) Law (§109.07, Wis. Stats., and Wis. Admin. Code Chapter DWD 279). To the extent that no obligations exist under either law, this correspondence should be construed as voluntary compliance.

USI is a provider of packaging services with facilities located at 9801 80th Avenue, Pleasant Prairie WI 53158. USI has entered into agreements with Kem Krest, LLC (Kem Krest), an Indiana limited liability, wherein Kem Krest has agreed to purchase USI's assets and inventory. Kem Krest has expressed the intent to carry on operations at facilities currently operated by USI at 9801 80th Avenue, Pleasant Prairie WI 53158, following the close of the sale, which is scheduled for June 30, 2016. In order to carry on those operations, Kem Krest has also expressed an intent to offer employment to certain current employees of USI. Regardless of which employees are offered employment by Kem Krest, all 161 current USI employees (the job titles and number of employees in each job category of which are identified on the attached Exhibit A) will no longer be employed by USI effective as of the close of business on June 24, 2016. The termination is permanent and there are no bumping or recall rights.

USI has provided written notice to all its employees by letter dated April 14, 2016, via Hand delivery. There is no union/employee representative to whom notice is required to be provided. By copy of this letter, USI is providing notice to the Kenosha County Executive and Village of Pleasant Prairie Village President. Requests for further information concerning the above may be directed Michael Greany Vice President of Operations at 262-942-5215.

Sincerely,

Janet Barootian
CEO Unified Solutions, Inc.
