Re: Business Closing Notice – The C.W. Carlson Company, Inc.

Dear Section Chief and Mayor Soglin:

The C.W. Carlson Company, Inc. ("Employer"), which employs employees at 2305 Daniels Street, Madison, WI 53718, intends to permanently cease operations by September 18, 2017. At this time, the number of employees anticipated to be impacted is 49. The employees are not represented by a union. Employer is providing all employees with the enclosed notices. Please note that 22 of these employees (not counting one part-time employee) will be terminated today. The remaining 28 will be terminated over the course of the next eight weeks as the Employer winds down its operations. Of the remaining 28: six are expected to be terminated by July 28th, 22 are expected to be terminated on or about August 18th or 25th, and the final terminations are expected to take place by no later than September 18, 2017.

Although this notice is not being provided a full 60 days in advance of the closing, at the time the 60-day notice would have been required, the Employer was actively seeking business to prevent or postpone indefinitely the closing and the Employer reasonably believed both that it had a realistic opportunity of obtaining the necessary business and that giving notice would prevent the Employer's action from succeeding. Additionally, at the time the 60-day notice would have been required, business circumstances were not foreseeable when the notice would have been timely given.

If you have any questions, please feel free to contact me at (608) 212-5355.

Sincerely,

Chris Carlson
President and Owner
