Youth Apprenticeship

DENTAL ASSISTANT

Dental Assistants help dentists with patient care and perform related office and laboratory procedures.

Length of Apprenticeship: One or two years

***Bridging**

DIETARY AIDE

Dietary Aide youth apprentices assist with meal planning and preparation while practicing infection control and safety. They serve food and aid clients with eating. They maintain the kitchen and dining room inventory and perform necessary quality checks to meet federal food safety requirements.

Length of Apprenticeship: One year

***Bridging**

MEDICAL ASSISTANT

Medical Assistants perform clinical and administrative tasks in a variety of healthcare settings.

Length of Apprenticeship: One year

Bridges to Medical Assistant Registered Apprenticeship

MEDICAL IMAGING

Medical Imaging youth apprentices support radiologic health professionals by preparing the room for procedures, providing patient support, assisting with procedures and maintaining supply inventory.

Length of Apprenticeship: One year

***Bridging**

MEDICAL LABORATORY ASSISTANT

A Medical Laboratory Assistant youth apprentice performs specimen collection, transport and processing of blood, urine and other body fluids for analysis. Youth apprentices pay attention to pre-analytical factors which compromise the accuracy of test results.

Length of Apprenticeship: One year
